Step 03

Click on the **REMOTE PROCTORED EXAMINATION SYSTEM** button to attempt the end semester examinations as per the schedule declared by your institute.

The screenshot shows a digital assessment platform interface. At the top, there is a navigation bar with links: Home, Setup, Roles, Users & Groups, Tests, Labs, Reports, Search, Payments, Teach Anywhere, Counselling, and an email address: varun@codetantra.com. Below the navigation bar, there are two tabs: "Ongoing & Upcoming" (selected) and "Completed".

The main content area displays three test entries:

- SRM Theory Mock Test**: June 21st 2024, 00:00. Duration: 120 mins. Status: Completed. This entry is highlighted with a red border.
- SRM Theory Mock Test**: June 20th 2024, 23:46. Duration: 120 mins. Status: Completed.
- SRM Theory Mock Test**: June 21st 2024, 00:00. Duration: 120 mins. Status: Completed.

Below these entries, there is a section titled "Upcoming assessments" with a search bar showing "June 21, 2024 to June 28, 2024" and a search icon. A message below the search bar states: "No upcoming assessments between 21 & 28".

Step 04

Select **Open Test** button for the applicable test from Laptop.

Step 05

Click on all the **Allow** buttons that appear in succession on this page to allow the browser to use microphone and camera.

The screenshot shows a browser window titled "Environment Check". The URL bar displays "learn.codetantra.com". A modal dialog box from "learn.codetantra.com" asks for permission to use the camera, with "Allow" and "Block" buttons. The "Allow" button is highlighted with a red box. In the background, the main page shows "Proctor Details: Tomesh Jain 9182785151" and a table of system requirements:

Category	Status	Details

BROWSER	✓	Chrome 90.0.4430.212
AUDIO	Pending	Click here to check audio A
WEBCAM	✓	OK
MICROPHONE	✓	OK

Below the table, a modal window titled 'Audio check' is displayed with the question 'Can you hear this audio?'. It contains a play button (B) with a red circle around it, a progress bar showing 0.00 / 0.01, a volume icon, and three dots. At the bottom are two buttons: 'Yes' (green) and 'No' (red), with 'Yes' also having a red square around it. A red circle is also around the entire modal window. Below the modal is a red letter 'C'.

Click on (A) **Click here to check audio**, click on (B) **Play button** and then click on (C) **Yes**

Step 07

Click on **Proceed to test** button to go to the next step.

The screenshot shows a web browser window titled "Environment Check". The main content area displays a message: "Your webcam view should appear here" with a placeholder video frame below it. A blue button labeled "Proceed to test" is centered at the bottom of this section, with a red box highlighting it. To the right, a sidebar titled "Multi Device Demo Test" provides details about the test taker and proctor, followed by a table of system requirements and their status. The screenshot shows a browser window for 'CodeTantra Edu'. The URL bar has a placeholder '*****'. The top navigation bar includes links for Home, Help, Roles, Users & Groups, Tests, Labs, Reports, and a 'Jump to' dropdown. On the far right are Logout, General Instructions, and a magnifying glass icon. The main content area displays 'Section [Question Paper] 1 of 1', 'Question : 1 of 1', and 'Marks for this Question : 30'. Below this is a yellow banner with 'Upload answer sheets', a link to 'Click to expand/minimize', and a note to 'Please Upload your Answer Sheets.' A message indicates that once files are uploaded from a second device, a 'Sync' button will be available to check submissions. A red box highlights the 'Uploaded File' section, which shows a recent upload of a file named 'File uploaded at 18/07/2021, 21:57:52' with 'Preview' and 'Remove' buttons. At the bottom, there are buttons for 'Finish', 'This is the beginning of the test!', 'Clear Response', and 'This is the end of the test!', along with navigation buttons for 'Prev' and 'Next'.

- Let's explore the other elements of the Interface

Using the Jump to navigation panel to navigate

You can access any question of any section from the current question by clicking on the desired question number.

Please note, if **Jump To** button is not visible then most likely it has been disabled as per the institute guidelines

The screenshot shows a user interface for an online examination. At the top, there is a navigation bar with a speech bubble icon, two sections labeled "Section - 1" and "Section - B", each with "2 mark(s)", and a green circular icon with a hand symbol. Below this is a horizontal line with three status indicators: "7 - Not Visited" (grey), "1 - Visited" (yellow), and "2 - Attempted" (green). The main content area displays a list of four options for a question, each preceded by a radio button:

- reverse osmosis
- diffusion
- centrifugation
- dialysis

At the bottom of the content area are three buttons: "Finish" (red), "Clear Response" (blue), and "Close x" (orange). On the far right, there are navigation buttons for "« Prev" and "Next »". The footer of the page contains the copyright information: "© 2021 Copyright CodeTantra.com | Use of Open Source Software".

The screenshot shows a web-based exam application. At the top, there's a navigation bar with icons for Home, Chat, and Log In Anywhere. On the right, it displays the email 'demo1@demo.com', a phone icon, and a Logout button. Below the navigation, a toolbar shows 'Section [Section - B] 2 of 2', 'Question : 1 of 5', 'Marks for this Question : 2', a speech bubble icon, a minus sign, '130%', a plus sign, and a 'General Instructions' button. A red box highlights the 'General Instructions' button. To its right, a small text box says 'Test time left: 01:55:34'. The main content area has a blue header 'Select the correct answer' and a question: 'When a student weighing 45 kgs left a class, the average weight of the remaining 59 students increased by 200g. What is the average weight of the remaining 59 students.' Below the question is a list of four options (55, 56, 57, 58) with radio buttons. A large white pop-up window titled 'General Instructions' is overlaid on the page. It contains the text: 'Read the instructions provided for every question properly before attempting the answer.' followed by two sections: 'Section - 1 : contain(s) 5 question(s) and each question carries 2 mark(s).' and 'Section - 2 : contain(s) 5 question(s) and each question carries 2 mark(s.)'. At the bottom of the pop-up, it says 'Click Finish only after completion of the Exam.' and features a 'Close' button, which is also highlighted with a red box. At the very bottom of the page, there are buttons for 'Finish', 'Clear Response', '« Prev', and 'Next »', and a copyright notice: '© 2021 Copyright CodeTantra.com | Use of Open Source Software'.

Zooming in/out

You can resize the text of the question and answers by clicking on - and + button.

If there is any image in the question or option, you can click on the image to zoom in. After viewing the image you can click on minimize button available at top right corner of the image.

The screenshot shows a digital test interface. At the top, there's a navigation bar with icons for Home, Chat, and Log In Anywhere. On the right, it shows the email 'demo1@demo.com', a phone icon, and a Logout button. Below the navigation is a toolbar with 'Jump to' and other controls. The main area displays the following information:

- Section [Section - B] 2 of 2
- Question : 1 of 5
- Marks for this Question : 2
- A zoom control with a minus sign, a red box highlighting the number '210%', a plus sign, and a general instructions link.
- Test time left: 01:54:53

The question text reads: "When a student weighing 45 kgs left a class, the average weight of the remaining 59 students increased by 200g. What is the average weight of the remaining 59 students." Below the question are four answer options, each preceded by a radio button:

- 55
- 56
- 57
- 58

At the bottom are buttons for 'Finish' (red), 'Clear Response' (blue), and navigation arrows for 'Prev' and 'Next'.

Sending the SOS

- i. You can ask for the emergency help by clicking on the **SOS** button.
- ii. Fill in your mobile number and describe your problem and then **Submit**.

The screenshot shows a digital test interface. At the top, there's a navigation bar with icons for Home, Chat, Log In Anywhere, Jump to, demo1@demo.com, Logout, and a user icon (circled in red). Below the navigation is a header bar with the text: Section [Section - B] 2 of 2, Question : 1 of 5, Marks for this Question : 2, a speech bubble icon, a minus sign, 210%, a plus sign, General Instructions, and a close button. To the right of the header is a timer: Test time left: 01:52:34. The main content area has a blue header: Select the correct answer. Below it is a question: When a student weighing 45 kgs left a class, the average weight of the remaining 59 students increased by 1 kg. What was the average weight of the remaining students? The question has four options: 55, 56 (selected), 57, and 58. A modal window titled "Request Help" is overlaid on the page. It contains fields for "Please provide your contact number" (9876543210) and "Please describe the issue you are facing" (Hello sir, I need some help.). At the bottom of the modal are "Submit" and "Cancel" buttons, with "Submit" being highlighted with a red rectangle. At the very bottom of the screen are buttons for "Finish" (red), "Clear Response" (blue), "« Prev" (blue), and "Next »" (blue).

Step 23: Finishing the test

- i. On the last question of the test, **Next button is disabled**.
- ii. To finish the test, click on the **Finish** Button.
- iii. A Test Summary will appear, after verifying the Summary, you can click on **Yes, I want to Finish and Exit**.

The screenshot shows a laptop displaying a test-taking application. The left side of the screen shows a question about orthogonal trajectories with four multiple-choice options. The right side shows a 'Test Summary' table and a confirmation message.
